SUBJECT: **APPROVAL OF EHP/NEPA SUBMITTAL**
FY2016 Homeland Security Grant Program (HSGP)
Grant #2016-0102; Cal OES ID #075-95017

Dear Mr. Dziedzic:

The California Governor's Office of Emergency Services (Cal OES) and the U.S. Department of Homeland Security/FEMA have received, reviewed, and approved your EHP/NEPA request for the following with standard conditions:

Project H – Urban Shield 2017: Trench Rescue Scenario; estimated Urban Shield Project cost: \$1,700,000; location: Vulcan Materials Company Pleasanton Facility, South Yard – 50 El Charro Road, Pleasanton CA 94588.

Standard Conditions:

- Any change to the approved scope of work will require re-evaluation for compliance with NEPA and other Laws and Executive Orders.
- This review does not address all federal, state and local requirements. Acceptance of federal funding requires the recipient to comply with all federal, state and local laws. Failure to obtain all appropriate federal, state and local environmental permits and clearances may jeopardize federal funding.
- If ground disturbing activities occur during construction, applicant will monitor ground disturbance and if any potential archeological resources are discovered, will immediately cease construction in that area and notify the State and FEMA.

For further assistance, please contact your Cal OES Program Representative, Maybel Garing-Espilla, in the Grants Management Division at Maybel.Garing-Espilla@caloes.ca.gov or 916-845-8429.

Thank you for your work in protecting California. We look forward to your continued collaboration towards our homeland security strategy and appreciate your cooperation and support.

Sincerely,

Ursula Harelson, Supervisor
